Dear Sir/Madam:

You have been registered as agent for the immigrant visa petition of AMARJIT BAINS. The Immigrant Visa Processing Fee for each applicant indicated on the enclosed fee bill invoice(s) must be paid before petition processing can continue. An invoice for each eligible applicant is enclosed.

**IMPORTANT:** On April 13, 2012 the Department of State reduced the immigrant visa application processing service fee amount for all immigrant visa petition types. Please remit payment using this immigrant visa application processing fee bill invoice which contains the new, reduce fee amount.

**Payment Instructions:**

1. **Do not** send fee payments to the National Visa Center's Portsmouth, New Hampshire facility. This will **delay** processing of the visa petition.
2. Go to **[www.ImmigrantVisas.state.gov](http://www.ImmigrantVisas.state.gov)** and follow the instructions displayed.

**Important Notes:**

1. If you did not receive a fee bill for any applicant who should be listed on this case, **do not** send a fee payment for the applicant. Instead, contact the NVC.
2. If a period of one year passes without communication to the NVC, all documents and fees expire and must be resubmitted to resume the immigration process.
3. If the applicant intends to adjust status with U.S. Citizenship and Immigration Services (USCIS), please contact the NVC before taking further action or making any payments.
4. Children who pass 21 years of age after the petition was originally approved by the USCIS become ineligible to accompany or join the applicant(s) immigrating to the United States under the original petition. In some situations, the Child Status Protection Act (CSPA) may allow children to remain eligible beyond 21 years of age. If you believe that the CSPA applies to this case, please send a detailed explanation to the NVC. We will forward it to the U.S. Embassy/Consulate for a decision.

Sincerely,

Director  
National Visa Center
